### What is the KAT Foundation?

In February 2009, one of our closest friends, Kenneth Andrew Thompson took his life. Andrew was 15 years old. This tragic event shocked us all and we will be forever touched by what happened. We have decided to form this foundation to honor Andrew and his life.

### Overview of the program:

The overview of this program is to educate teens/adolescents on depression, what it can lead to and the long term effects it can have. We want to let kids know that our group is building the foundation of an organization that they can go to someone to talk to about their depression.

**WAIVER:** I know that running a road race is a potentially hazardous activity. I should not enter unless I am medically able and properly trained. I assume all risks associated with running this event. Having read this waiver and knowing these facts and in consideration of your accepting my entry fee, I, for myself, and anyone entitled to act on my behalf, waive and release The KAT Foundation, any affiliate of St. Ann Church/School and all sponsors, their representatives and successors, for all claims or liabilities of any kind arising out of my participation in this event.
