

Spectacular Science Camp Information

******* BACK BY POPULAR DEMAND *******

This summer St. Ann will be hosting a Super Spectacular Fun Hands-On Science camp! Each day will have it's own theme, hands – on experiments. We'll play with real snow, conduct edible experiments, make raisins dance, make slime, and much, much more!

When: June 6th – 10th 9:00 – 12:00

Where: St. Ann School – Science Lab

Cost: \$ 125.00 This includes a snack each day, group picture, & experiments to take home !

Camp Leaders: Ms. Priscilla Williams & Mrs. Melissa Monti

Please return the bottom portion of this form with **\$125.00** payment to the St. Ann office. Registration deadline is **June 1st**.

***** Space is very limited, so register early!*****
